

Welcome PROGRAMME

Welcome!

Welcome to the 8th annual *Auckland Brit & Euro Classic Car Show* – now one of New Zealand's largest themed classic car events and a prominent free community event for the whole city. Nearly 100 organisations and about 2000 people are involved in putting on the show for the visiting public. Truly an event "for the community; by the community".

We are pleased you are here today; overleaf is the site map which helps you get around. We recommend you follow the green dotted lines in order to see all the special displays.

Do note features such as the Information Tent, Ambulance, Port-a-loo toilets, and **please help us be a 'Zero Waste' event** by disposing of any waste in the appropriate bins.

Things to see

SPECIAL FEATURES THIS YEAR INCLUDE:

- A special **Revival display** featuring a selection of cars that inspired the 'Hot Hatch' trend, cars with racing/rallying pedigree and the Lotus Club Display as they celebrate 75 years of their marque.
- Should you have time perhaps make a visit to the Howick Historical Village that is next to the park. While car show entry is free, **donations are gratefully received for the work of the Howick Historical Village**. The village and associated historical society is a charity and all donations will go toward the ongoing upkeep and maintenance of the preservation of the 40 historical buildings. Do visit the village and see how the early Howick settlers lived.

EVALUATION If you enjoyed the show, we look forward to receiving your feedback via the Event website:
